Someone help me!
Hic
I'm not like that!
I don't want to become a bad mother who doesn't even remember her child

I don't want to
You're awake, Mr O'donnell?

Who are you?
Dr. Baset William.
You don't have to be so defensive.
UK is a polite country!
But entering someone's room without notifying like this is the first.
Like stealing someone's wife.

Nora...
I'm sorry,
Mr O'donnell.
Since you know my name, you also know about my situation?

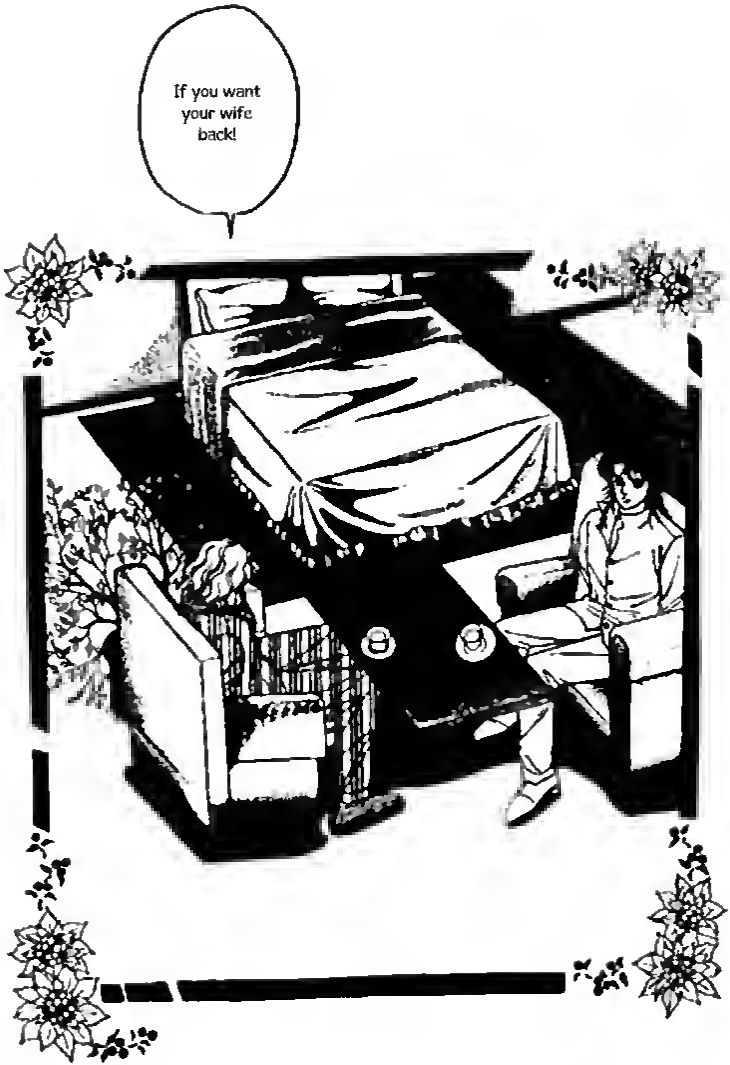
I should introduce myself.
You might think I'm a physician since I call myself doctor.
I'm a genetics doctor. I don't have any relation with the Gariens
I've met Mrs. Garien. She affirms that that cute child is indeed Peter and Ms Nora's.
Mrs. Garien has asked the Royal family to recognize Ms. Nora as Peter Garien's official wife.
I was sent to confirm the truth.

But one-way affirmation can't confirm that a no-memory woman...
Is a dead man's wife.
OF COURSE!
A wife without memory...
THAT CHILD CAN'T BE NORA'S.
To confirm if that woman is the child's biological mother,
I intended to use legal means.
DAMN! EVEN THE DATE ISN'T RIGHT!
THAT CHILD IS AT LEAST 8 MONTHS-OLD ALREADY.
It's possible.

Please call me Baset.
I didn't think you would come to my house.
I'm sorry. Please forgive my rudeness.
Oh, it's all right...

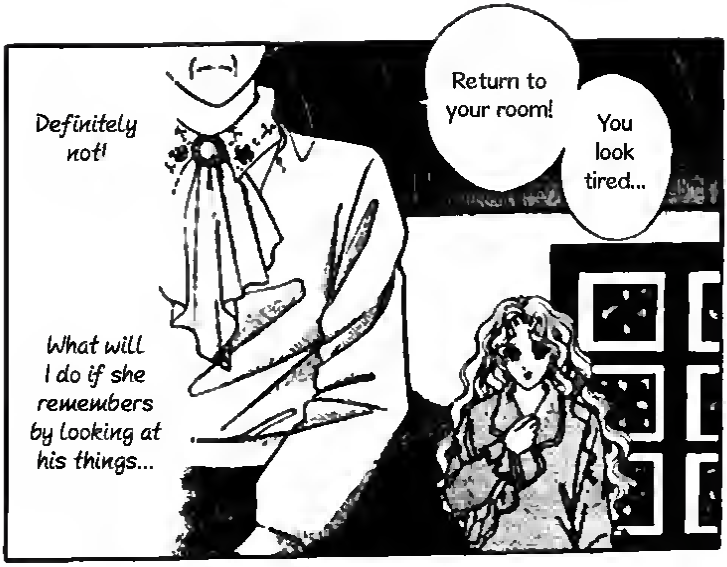
English red tea is the best.
The scent reminds you of home.
The problem is that Mrs. Garien refuses to have a DNA test.
I almost abandoned the investigation under the pressure of the Gariens.
I had no way to find that lady's identity.
I couldn't imagine that her "other husband" would appear. Neither could they.

So we're on the same boat.
You mean you'll help me?
And you'll help me too...



If you want your wife back!

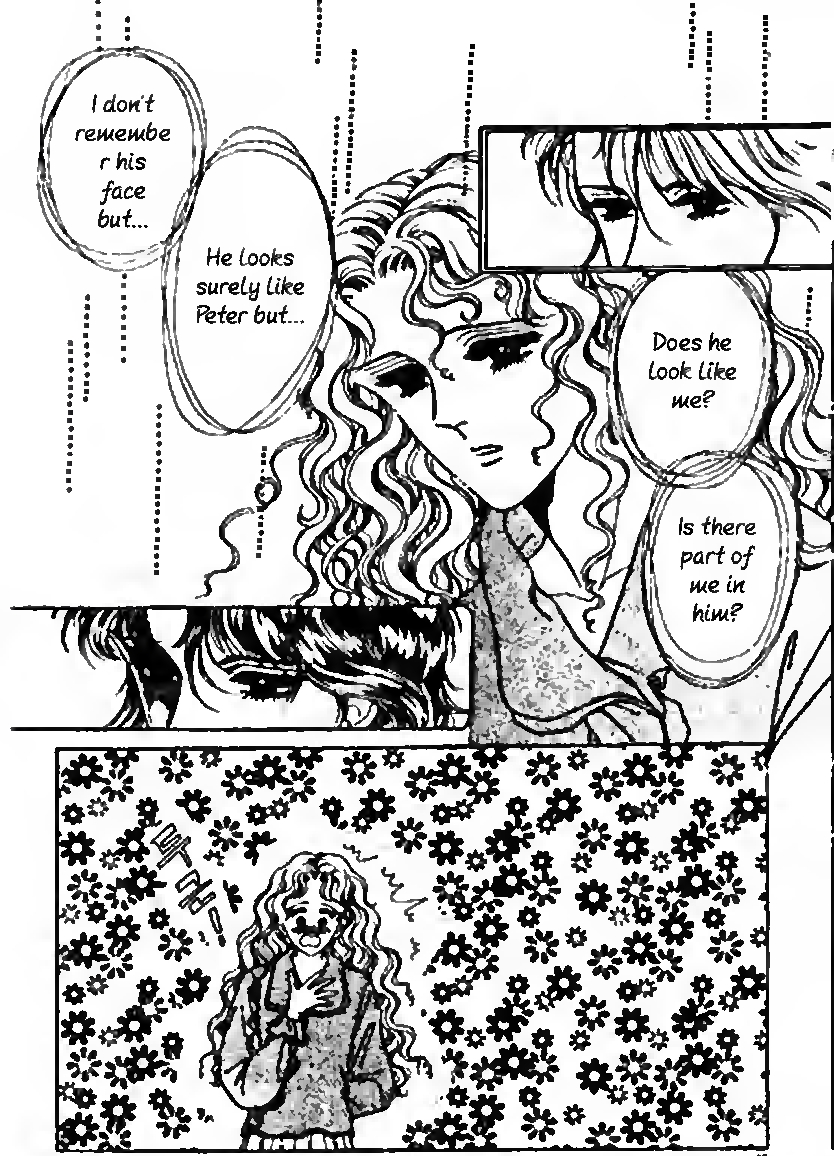
Nora! What are you doing there?
It was Peter's room!
I HAVE FORBIDDEN YOU TO ENTER THAT ROOM!
But Mother...
I want to see his room Please let me enter.
Definitely not!
It will only hurt you...



Definitely not!
What will I do if she remembers by looking at his things...
Return to your room!
You look tired...

Mother ...

Young mistress... Please come here!
Young Master Peter was so gentle...
I brought him up with these hands.
Oh... So cute! He's a beautiful child.
Like young master Peter, he'll become a handsome man, right!
Hiccup...
I'm sorry. Suddenly, I'm thinking about him.



I don't remember his face but...
He looks surely like Peter but...
Does he look like me?
Is there part of me in him?
부르르!

Who is that man?
Who is he?
Maybe he knows something about me
That wound?

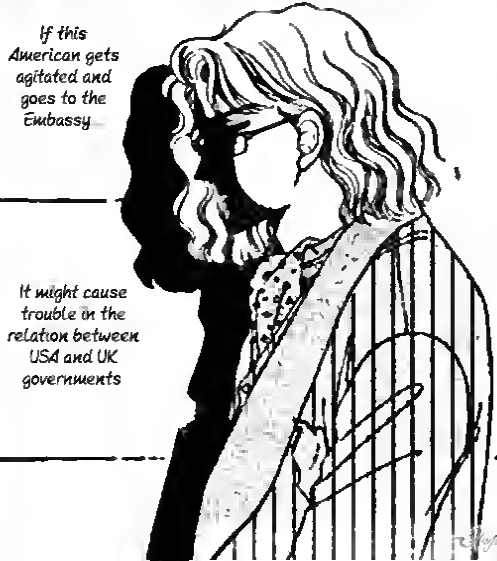
Ah, it was when those security men
forced me out and I banged into the wall
Do you have a child?
I mean yours and that lady's child
?
You've been married for more than a year,
there should be a child.
If we can't touch the Gariens' child, we can have the test on your child.

We...
don't have a child yet.

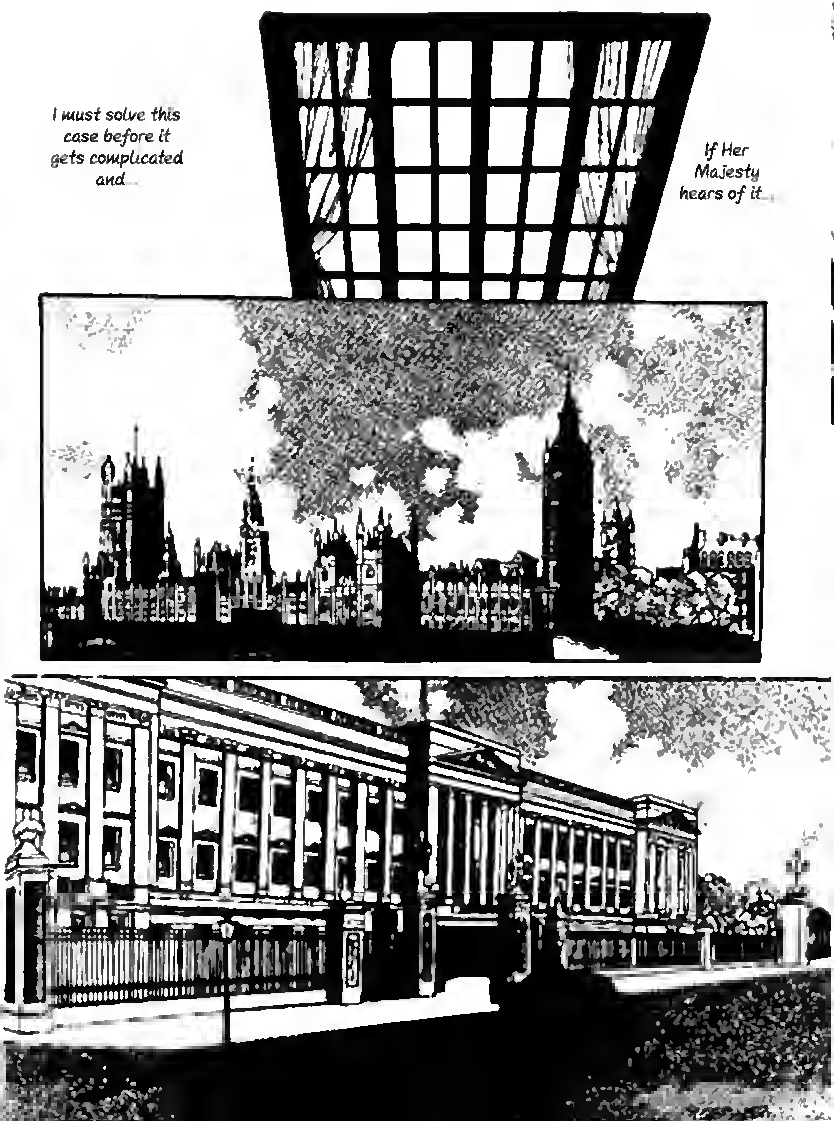
ISN'T IT TIME TO HAVE CHILDREN
DAD!
I have the marriage license
There isn't?
An American marriage license isn't recognized here. Moreover, this a case related to Royalty

I repeat,
we can't talk to the daughter-in-law and the child of the Gariens
SHE'S NOT THEIR DAUGHTER-IN-LAW BUT NORA O'DONNELL!

I know!
I understand!
Calm down!



If this American gets agitated and goes to the Embassy
It might cause trouble in the relation between USA and UK governments



I must solve this case before it gets complicated and...
If Her Majesty hears of it...

Her Majesty hears of it.
In the Royal Palace are true?
About the Ganens who is well liked by her Majesty...
Ah, you mean that infamous daughter-in-law?
Rather an open secret.

Stop it. What if her Majesty hears of it?
It's their business. Why bother?
It's top secret. An American came to the Garlens and...
hmm...
Are you talking about my family?
MR. GARLEN!
You should watch out or you will cause hostility.

Send someone to verify those rumors.
Yes!
Yes, Your Majesty!

WHAT HAPPENED DURING MY ABSENCE?
OUR FAMILY HAS BECOME EVERYONE'S BUSINESS ALREADY.
You are home?
That American woman.
Is she really our daughter-in-law?

What are you saying? She will be sad if she hears that.
.....
Sad when she has no memory?
I am wrong.
What about the rumors outside?
Ah,
what about the young American I heard about at the Royal party?

Ah... That...
시앗!
I heard that you even called the guard from London?
Of course!
Because of the disturbance of a crazy.
You know very well how those Americans are.
Hu!
They are rude and have no shame.
It's nothing

Maybe it's our money that he wants.
hnm...
Right! My wife has no reason to lie It's just a hateful American!

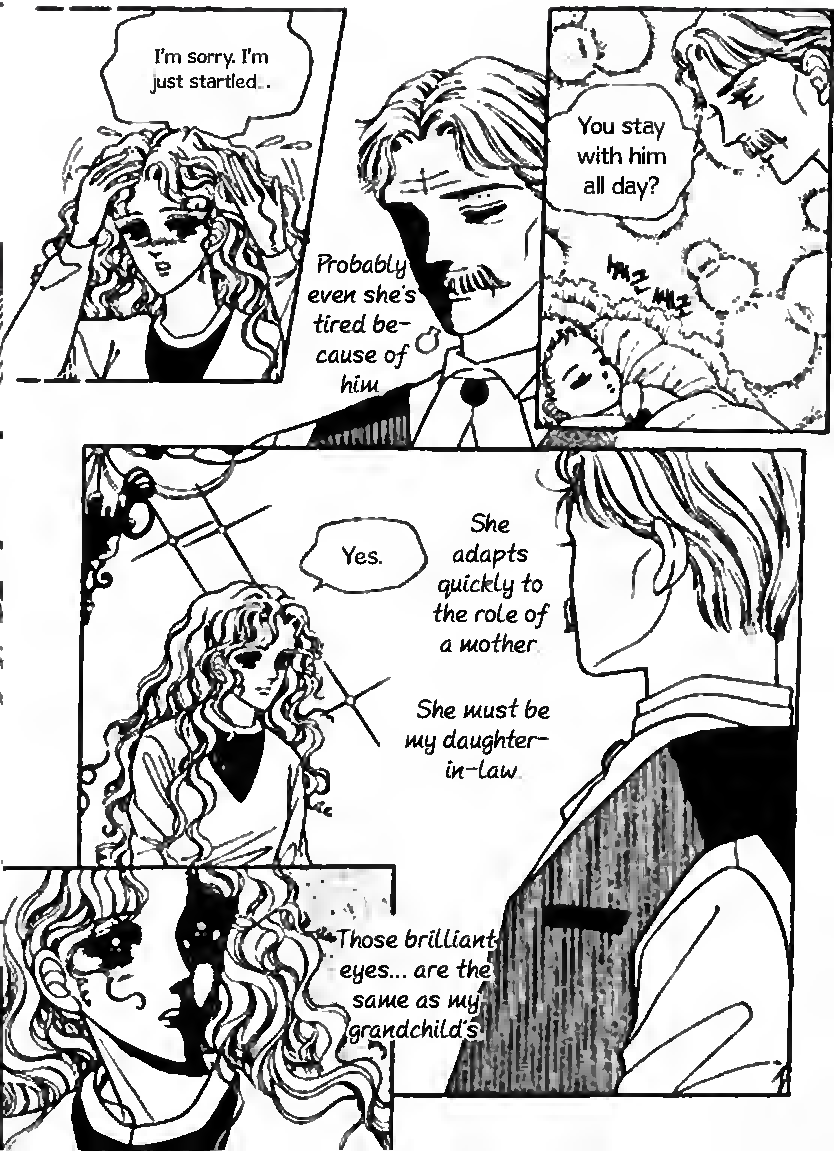
But what if there's something I don't know...
우뚝!
Are you there?
Oh... Father!



I'm sorry. I'm just startled..
You stay with him all day?
Probably even she's tired because of him
Yes.
She adapts quickly to the role of a mother
She must be my daughter-in-law
Those brilliant eyes... are the same as my grandchild's

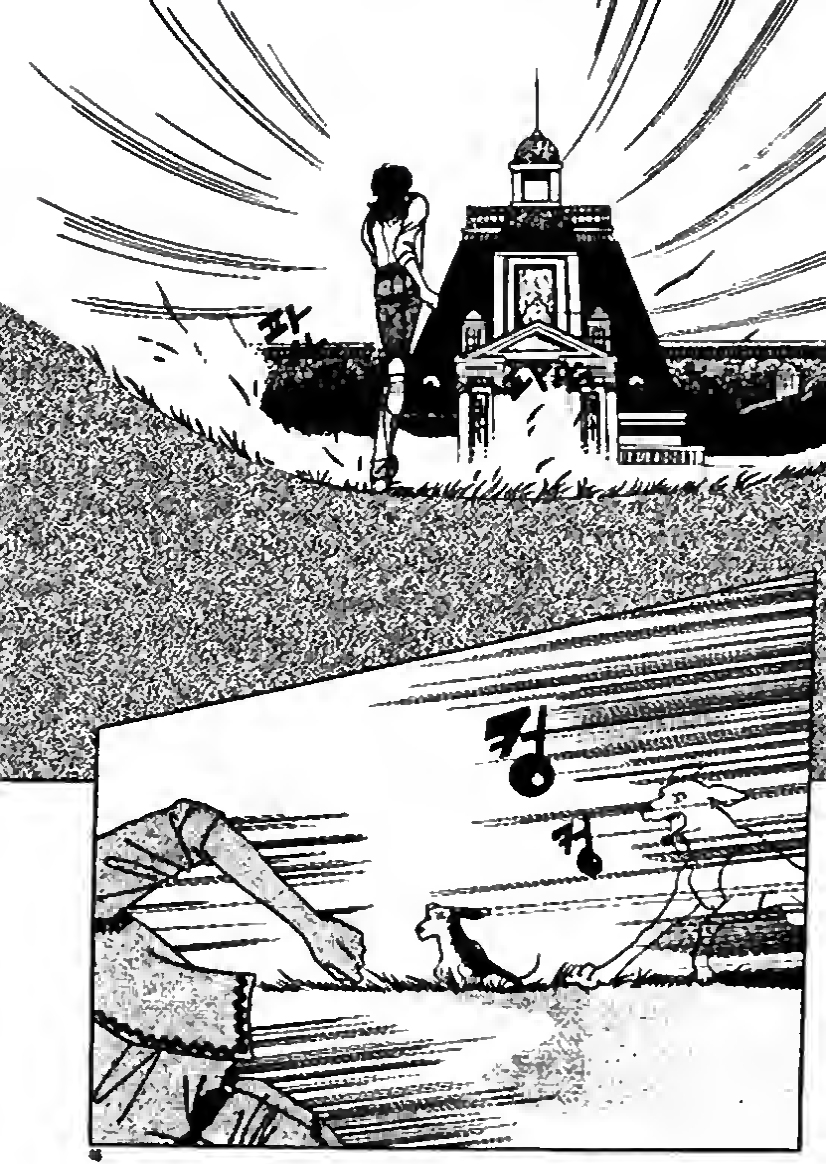
She's also a low-life American
If that American comes again,
send him to hell.
But she's a beautiful lady
That O'Donnell guy hasn't come here again?
DON'T TALK ABOUT HIM AGAIN!
I... I'm sorry!

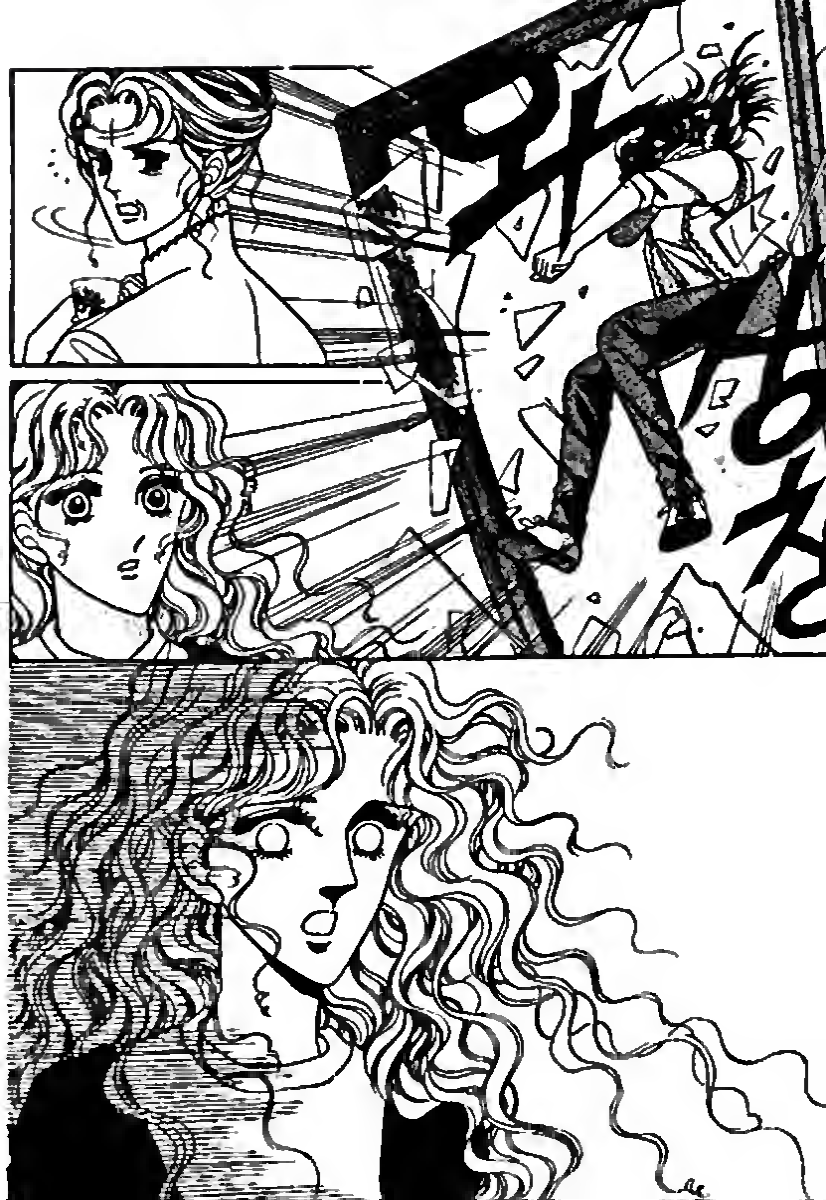
President said he couldn't come back yet.
.....
It's inapprehensible. Bringing her back takes this long a time?
If you didn't keep that troublesome secret, everything would be cleared up.
TROUBLESOME? A GIRL'S PROMISE IS REALLY IMPORTANT!

SHOULD I HAVE WATCHED MY FRIEND'S FAMILY END UP BEING WRECKED?

사삭
삭
There's a noise over there.
컹

Damn it! They released the dogs!
컹
벌떡!





Please forgive me... for coming here like this.
Sigh... I intended to enter quietly.

But because of those monsters.
MADAME, ARE YOU ALL RIGHT? THAT...
.....
NORA!

I want to tell you some-thing!
THAT CHILD
ISN'T YOUR CHILD.
I'M...
WHAT ARE YOU DOING? CAPTURE HIM!

LET GO OF ME! HELP!
NORA. CALM DOWN! CAPTURE HIM NOW!
DON'T LET HIM STAY IN THE HOUSE FOR EVEN ANOTHER SECOND!

WE'VE CAPTURED HIM!
BUT MASTER ORDERED US TO TEACH HIM A LESSON...
I told you I don't want to see him. Throw him out.
I'm not the woman he thinks I am mother.
DAMN IT!
NORA!
Throw? Am I trash?!
All right?

My god...
I want to return to my room. Is it all right mother?
Yes...
Don't worry and rest in your room. You must be scared. My poor daughter-in-law.
I'm sorry. I'm returning to my room now.
I can't calm down.
Sigh...
Finally...
She's totally...

A daughter of the Garien family
It's too risky
Because of her I was thrown out. It's not right.

And thanks to her you're not beaten up and they let you go.
That means she still loves me?

부스스
탁
딸깍!
Wake up!
Someone broke in to the house!

Open the door...
Open the door...
A ghost?
There's no ghost these days!

Oh, that voice...
Is Nora's!

This morning, so that mother didn't get suspicious, I couldn't do anything else.
NORA! YOUR MEMORY...?!
She must be cold, O'Donnell.

I'm so glad!
Sorry, I don't remember anything yet.
.....
You might misunderstand the reason I'm here.
I know your name .. I'm sure we.. we...

Know each other, right?
I want to know about my past. That's why I'm here.
Nora...
Tell me anything, please.

Nora, I want to ask you
If you want to go on a trip to Phuket!

What sort of girl was I?
She must be asleep. What do you wake her up for?
Yes, that's right.

You're kidding!
I'm your American wife?

My husband's Peter.
Don't lie!
You're also American.
I DIDN'T THINK YOU'D BE A LIAR.
NORA, HE'S JUST FRIEND... YOU SAID THAT YOURSELF.
EVEN THOUGH YOU DON'T REMEMBER. HE'S JUST AN ACQUAINTANCE.
HOW CAN YOU SAY THAT?
YOU'RE SAYING THAT MOTHER LIED?

S.McSears

YOU'RE SAYING THAT SHE'S NOT MY MOTHER-IN-LAW?
In the cold hospital...
I was in the coma
It was her who brought me home and took care of me..

IF SHE DIDN'T TAKE YOU AWAY...
IT'D BE ME WHO TOOK CARE OF YOU.
A dread-ful woman!
Nora is totally brain-washed!
If so...

If you're really my husband,
You'd know about the scars on my body.

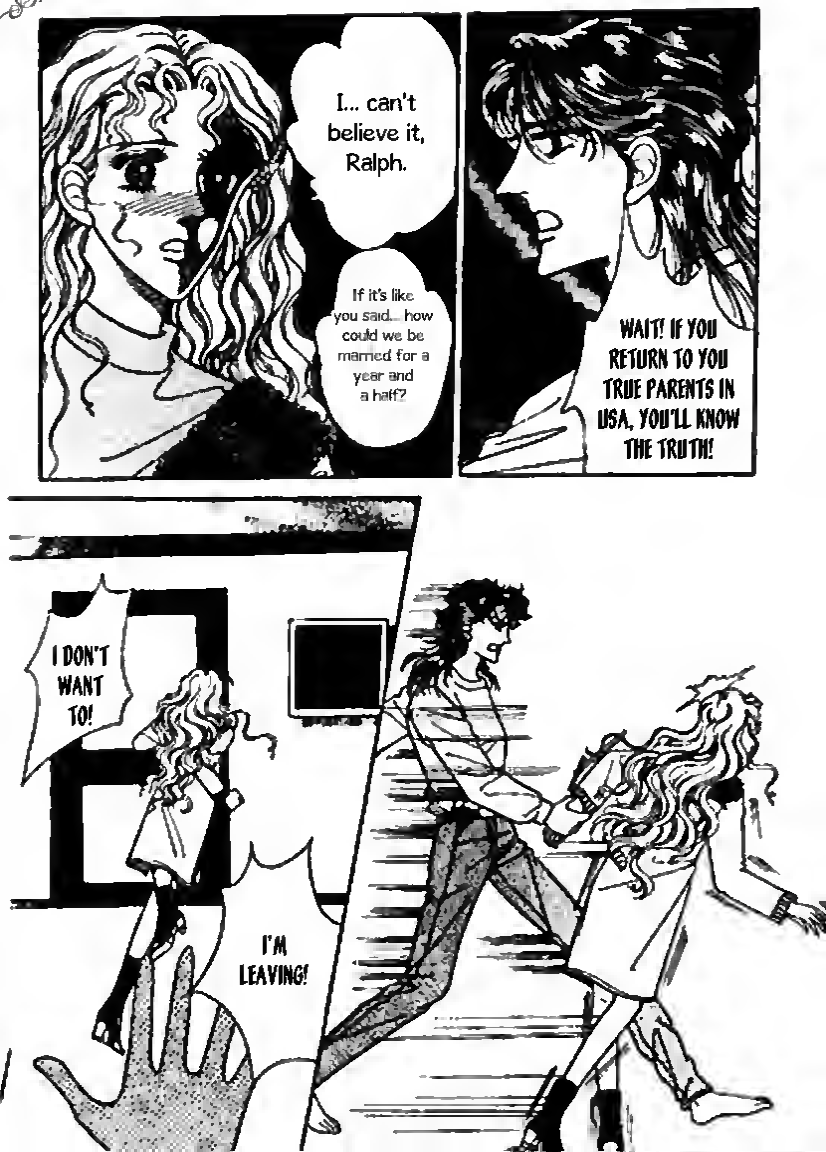
SMScans

Scars?
Does she have them?
Where?
If I give the wrong answer everything will fall apart
No way!
Damn it!

We...
have never slept together.

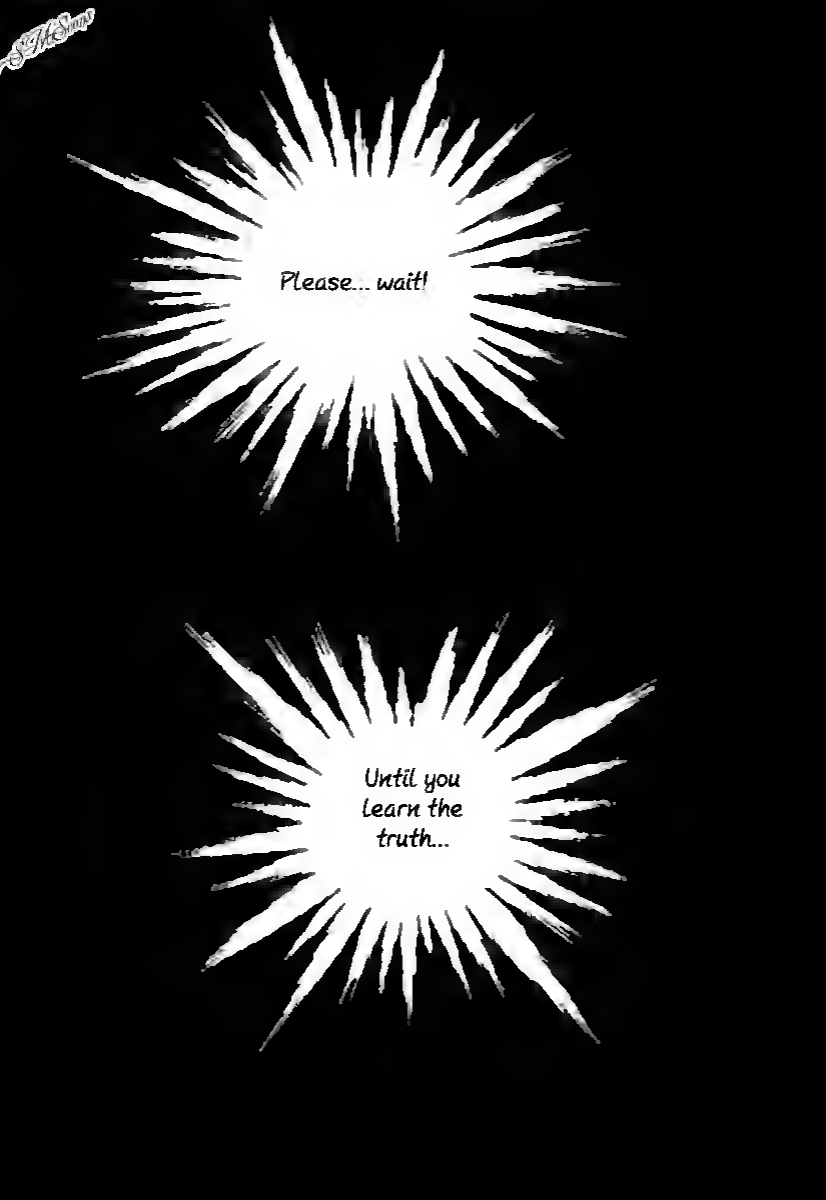
Shit…
……
Since our relationship is a little compli-cated... some days before your disappearance, we were almost like a normal couple.
You like darkness,
so when we're intimate...
You dare to say those pervert things?!

S.McSears

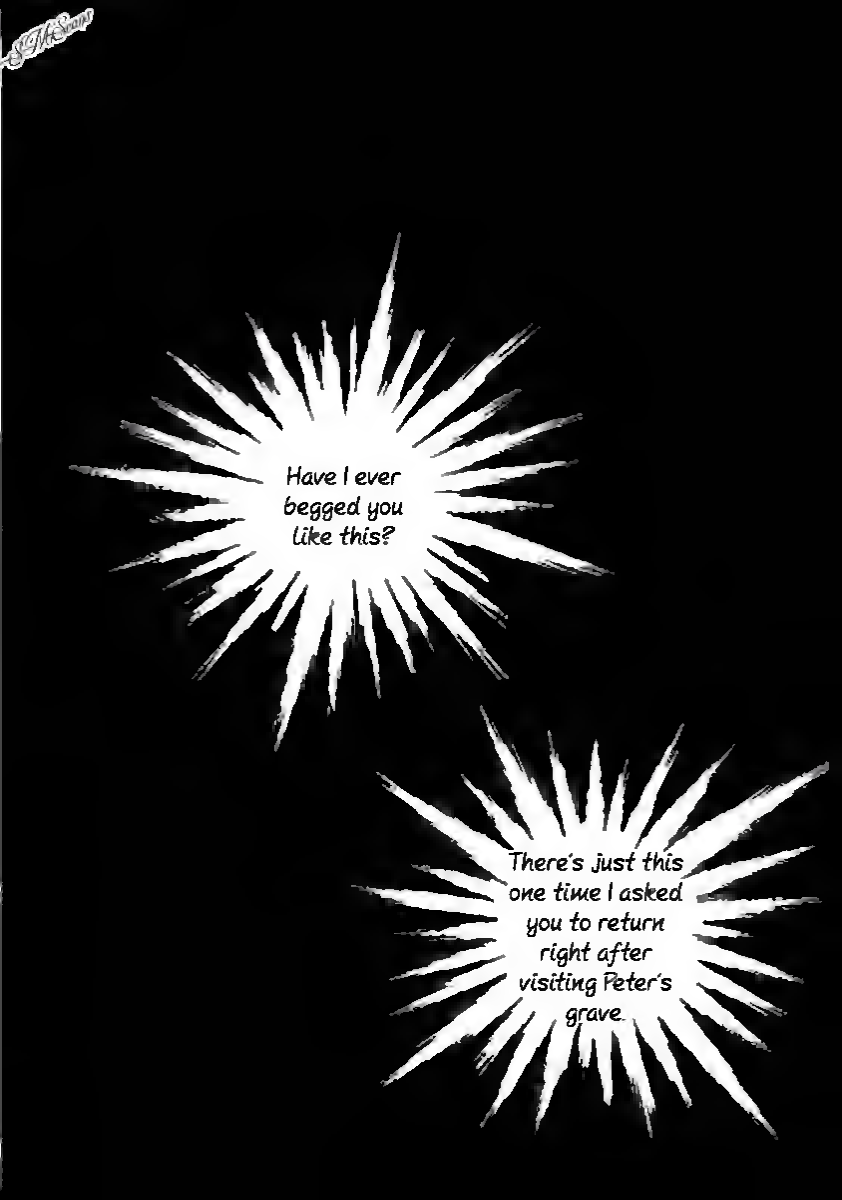


I... can't believe it, Ralph.
If it's like you said... how could we be married for a year and a half?
WAIT! IF YOU RETURN TO YOU TRUE PARENTS IN USA, YOU'LL KNOW THE TRUTH!
I DON'T WANT TO!
I'M LEAVING!

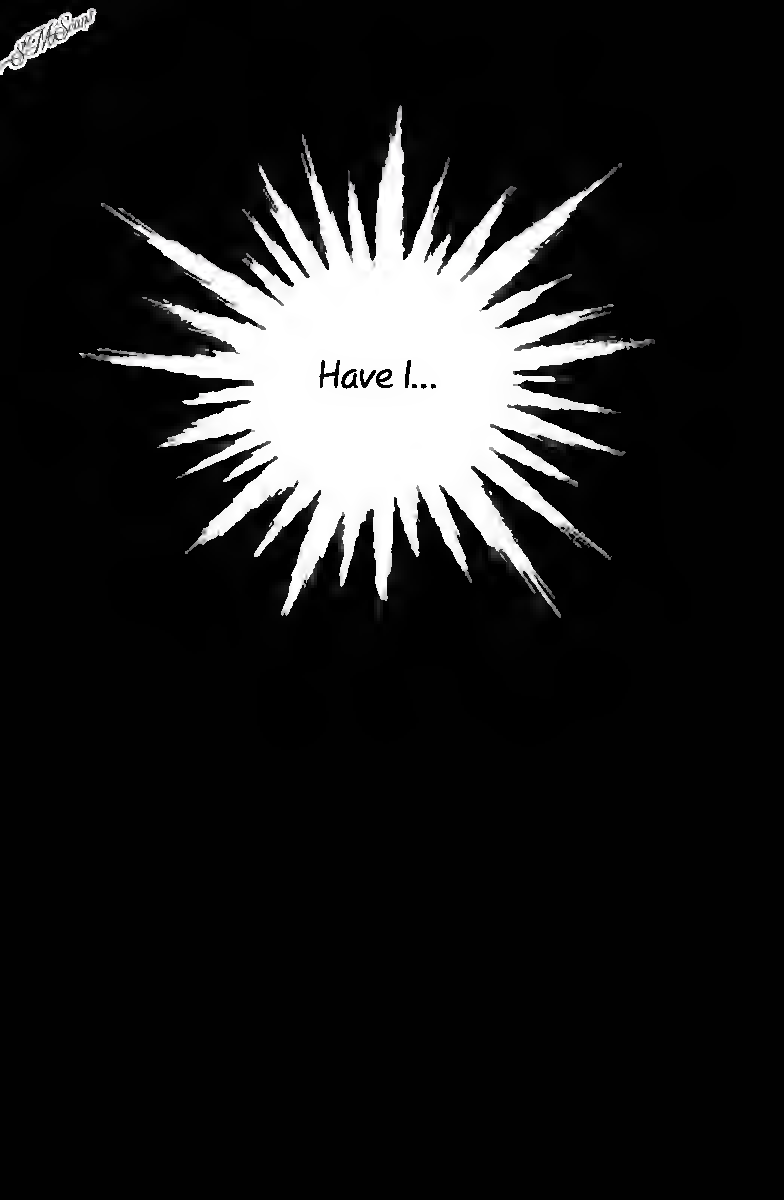
Wait. You plan to end everything by a simple question?
I've waited for you for half a year already.



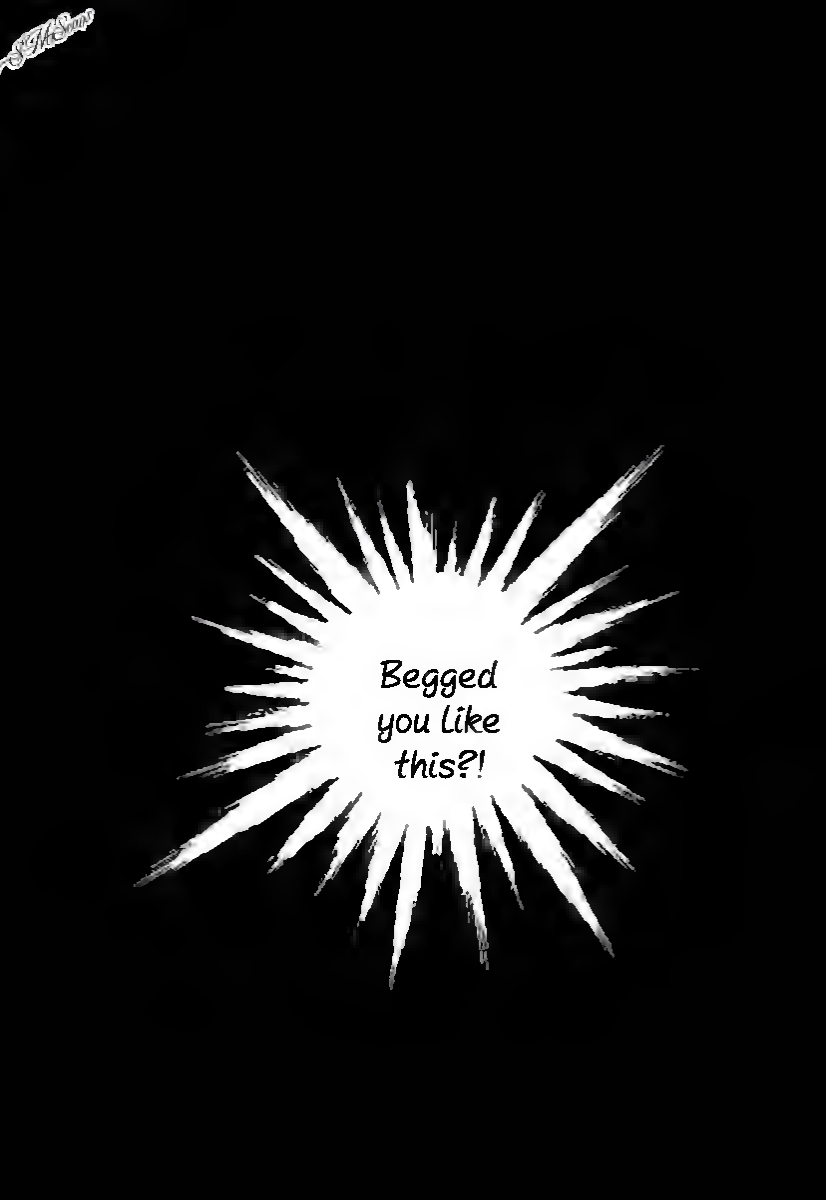
Please... wait!
Until you learn the truth...



Have I ever begged you like this?
There's just this one time I asked you to return right after visiting Peter's grave.



Have I...



Begged you like this?!

휘익
Where did you go last night?
Yes?

Ah, maybe...
you just slept so tight that you didn't hear me.
I didn't go out.
I'm knitting this for Junio. For babies, the love you put in their things is important.

Peter was broght up like this too.
He grew up to be a wonderful gentleman.
Can I do this?
The girl I love...

Are you all right, Nora?
Uhm... Nora...
Oh, it's nothing!
The girl... I love...

The girl I've...
...loved.

... commited suicide
I wasn't his wife!!!

You intend to go to the Garien's looking like this?
What? Does this look good?
I think it's suited for a break in.
Ah no, it suites you

I'm going to the Royal family to report the Gariens...
and take notice from the Scotland Yard.
I'll ask for help by pressure
Either way I don't trust you English people
Is that a way to thank someone who's helping you?
Is she happy in the Garien household?
Weird style...

S.McSorley
Do you want to make money?

If you do as I ask, I'll give you 100 dollars.
But you might be beaten.
Only one or all of us?
Only one.
It can't be all of us?
Ah, then the more the better!

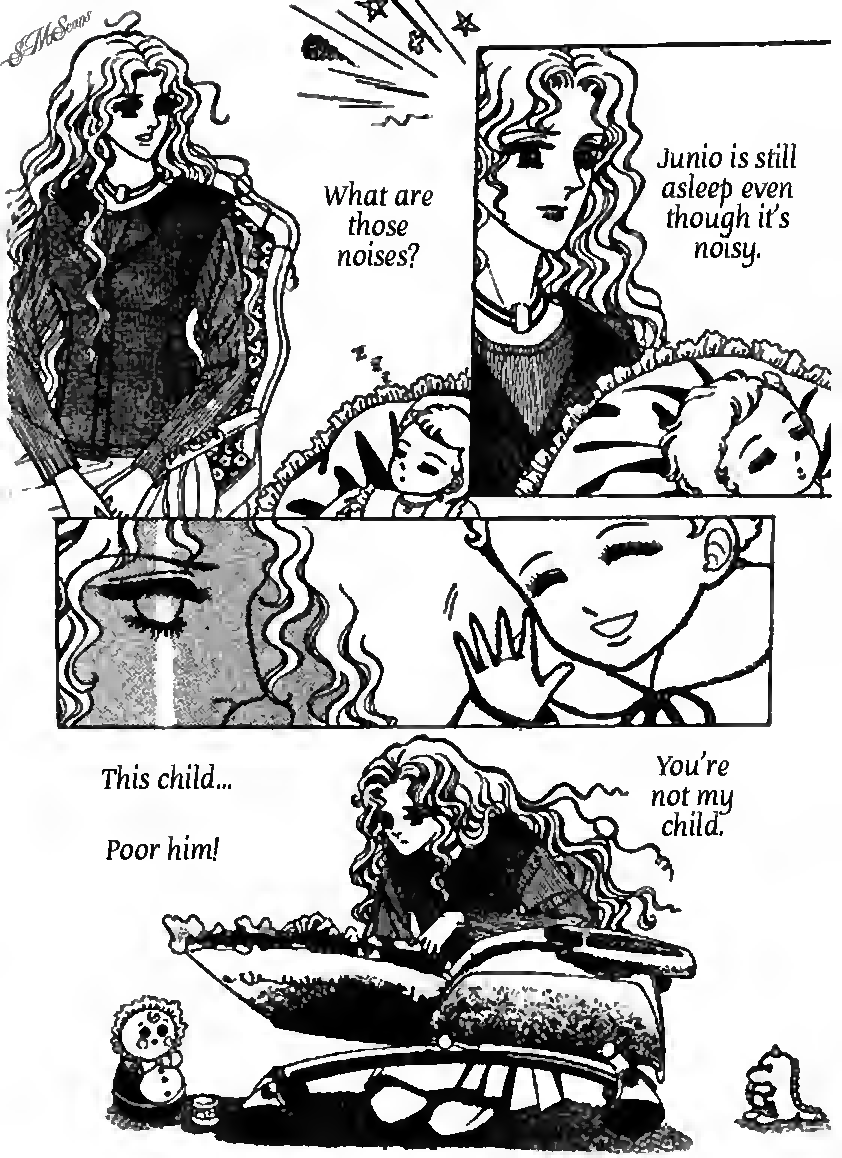
I'm so pitiful.
Before, women used to chase after me.
Now, I have to chase after a girl who doesn't even know who I am

Dad is right.
I must have children to tie the woman I love to me.

J. McSorley
Nora...

I'm scared.
Who knows if every-
thing will end like this.

AH! AH! WHAT'S THIS? MY GOD!
So hungry!
So beautiful!
WHY ARE THESE BEGGARS HERE?
WHY DO THEY COME HERE?
HELP!
AH, HOW COULD THEY PASS THROUGH SECURITY AND ARRIVE HERE?



What are those noises?
Junio is still asleep even though it's noisy.
This child...
Poor him!
You're not my child.

It's not like I'm happy because you're not my child.
In reality...
The guilty feeling that I can't even remember my child has disappeared.
But you're my friend's son, Junio!!

If you disappear know, they might inform the Royal family.
You're remembering.
I'll sneak in.
Until you remember who I'm
Nora!
Ralph!

There's an uproar outside.
Please have a seat.
When Junio takes a nap... mother won't come in.
I feel sorry for him
This baby is Peter's child?

Oh?
A replica of Peter.
Well... I wanted to die because of this child.
Because then... I believed he was my child... even though he doesn't look like me at all.
And I couldn't even remember my child...

Of course. Because he isn't your child.
If you had a child even if it's the end of the world...
you wouldn't forget its name and face.

I'm that kind of girl?
Really?
Of course!
Although we don't have a child yet...
And though you're innocent...
you're not calm, weak, or a crybaby.
I don't like that kind of girl.
Really?

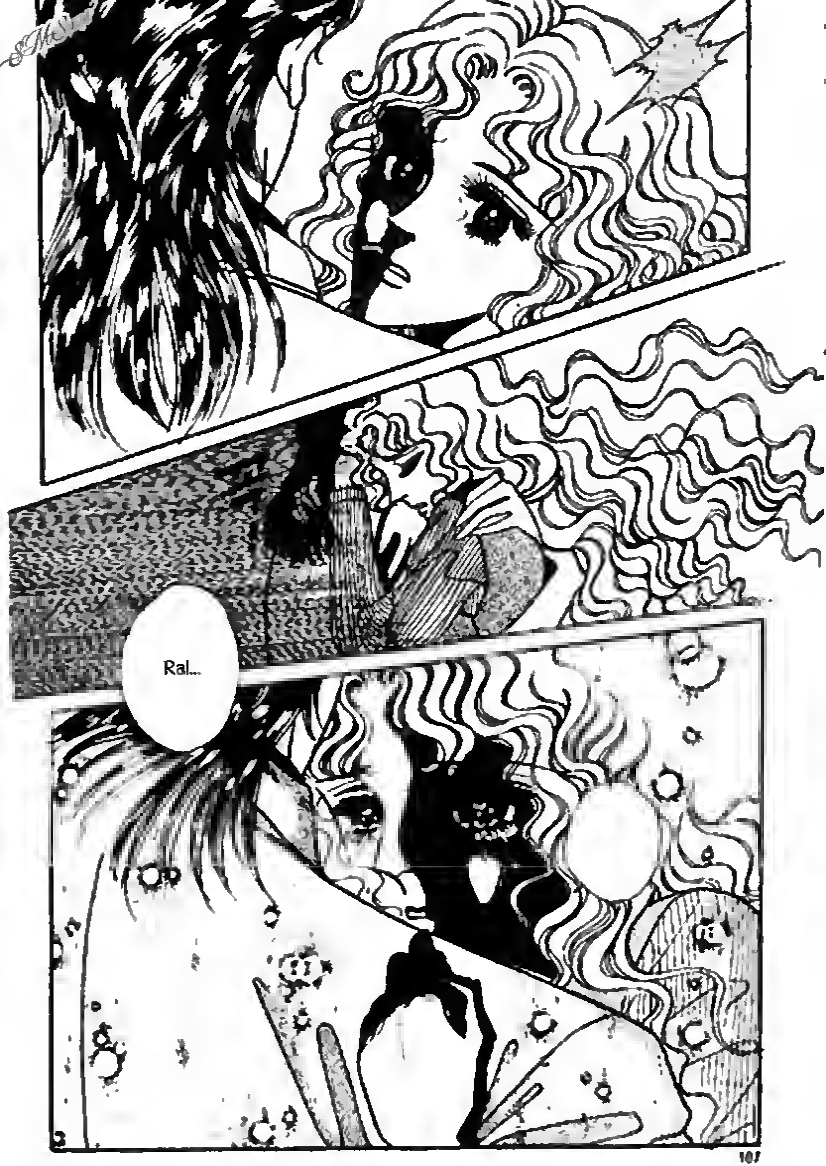
You've changed
Uhm...
I'm always praised here.
THEY'RE NOT YOUR PARENTS-IN-LAW!
YOUR REAL PARENT-IN-LAWS ARE IN USA!
In USA...
A foreign country...

My God...
Truly being brainwashed.
Don't let that old lady suspect you
OK!
She doesn't know anything.
Look at me...
Don't you remember anything?
.....

After last night, I can't remember anything more.
I remember you... but not why we're married.
Was I an easy girl?
Maybe we're not intimate.
Is there a couple like this?
Of course I had once been a playboy?

This manhwa might not end happily
I'M NOT THIS HOUSEHOLD'S DAUGHTER-IN-LAW!
Because you were in a plane crash in July 16th of last year.
THOUGH THIS HALF OF A YEAR I'VE LIVED HAPPILY...
IT'S LIKE WALKING IN AN ICE RINK BAREFOOTED!
THIS CHILD ALWAYS APPEARS IN MY DREAMS AND LAUGHS AT ME.
No one could understa nd that.
I want to escape
I don't know how I ended up in this house. How someone who doesn't have any relation with this house like me stay with those strangers

I'm here.
Don't worry!



Ral...

I love you!
?!
Why didn't I say this to you right away then? Sniff sniff..
Why didn't I say it?

Ralph...
If I did that...
this wouldn't happen...

Nora!
퍽

WHERE ARE YOU TOUCHING?
Didn't you remember everything?
I DON'T REMEMBER SLEEPING WITH YOU!

Everything is unfastened.
HEY! WHAT ARE YOU DOING? YOU BEGGARS!
DON'T LET THEM IN THE HOUSE!
RAMA
HOTEL
Is your mission complete?
Yes!
And Dr?

I've asked but the orders were already passed down to the Gartens.
Since he's close to the Queen, everyone must respect him.
Could a noble have done this?
I've heard
That some homeless people broke in the house ..
An interesting event
Rumors travel fast.
If you don't want to be left behind...
you must listen.

You're intelligent but... it's a little extravagance!
You spent a lot, right!
Oh, a little.
I can't look after the business when I'm here. There might be someone who wants to take my place again and...

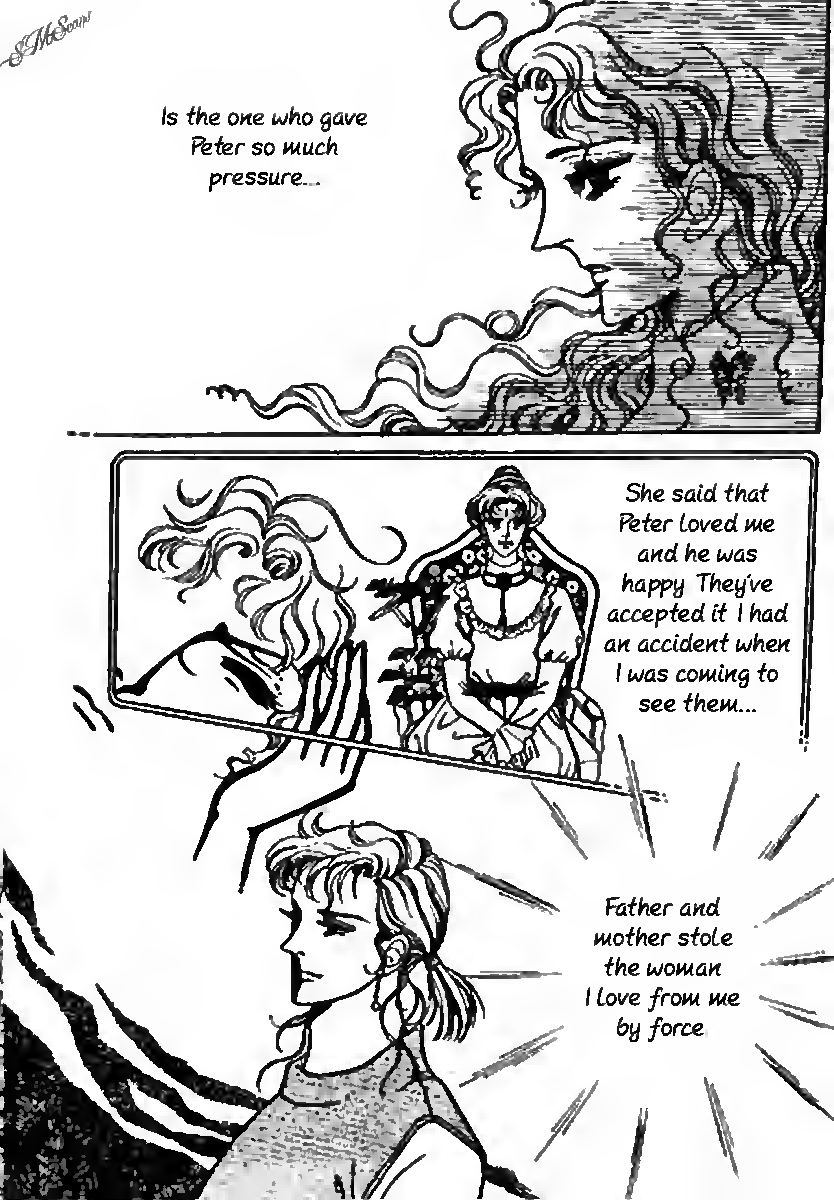
That guy wants to become richer, it's only a matter of time.
Were you able to take Nora and Junio's blood sample?
Nora would prvent anyone from harming the child even if it kills her.
Maybe the family's doctor could do it.
I want to take Nora back. Please help me!
Ho... You Americans are so confident!
...※
And...

It's against the law.
If the Ganiens believed she's their daughter-in-law...
Perhaps, I understand.
저자다!

It's him!
Oh...
Stop it!
It can't be that quick...

?
Ha, that expression of Ralph's...
That extreme arrogance Has not changed
He's still bad tempered...
I remember!

He always took notice of other men around me
Peter was also a playboy
Nora?!
Nora...
Yes!
What are you thinking? Look at you, smiling by yourself. Stop thinking about weird things!
Yes...
Mistress Garien
That person...



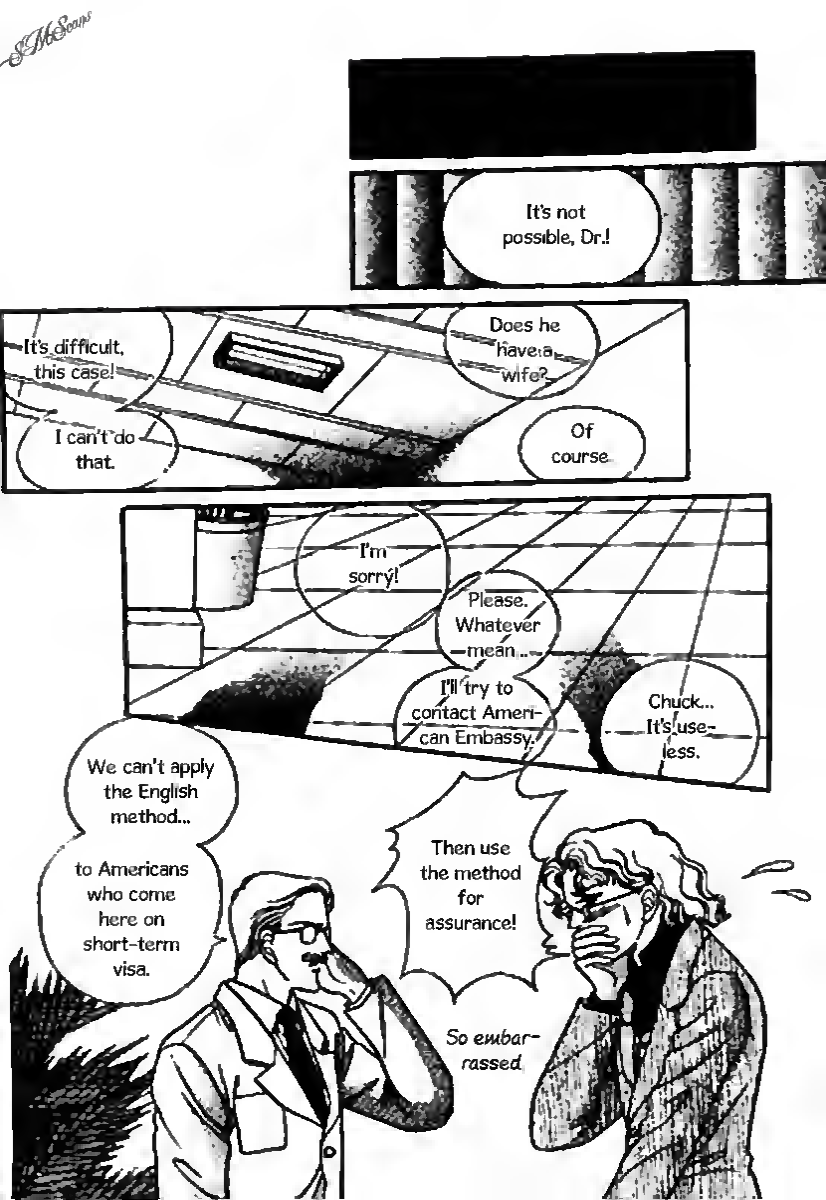
Is the one who gave Peter so much pressure...
She said that Peter loved me and he was happy They've accepted it I had an accident when I was coming to see them...
Father and mother stole the woman I love from me by force

What is it, Nora?

Police! There's a fight...
A trash like you dares to insult a noble family of our kingdom?
Look down at a noble lady. Go die!

Every thing will end...
like this...?

S. McSeaus
.....
.....
OH!
Mr O'Donnell
Is he dead?
Bring the stretcher here!
Let me see...
OH OH OH OH...



It's not possible, Dr.!
It's difficult, this case!
Does he have a wife?
I can't do that.
Of course.
I'm sorry!
Please. Whatever mean...
I'll try to contact American Embassy.
Chuck... It's useless.
We can't apply the English method...
to Americans who come here on short-term visa.
Then use the method for assurance!
So embarrassed.

Then I'll call.
Let it go!
I'll do it.
.....
.....!

Do I see an angel?
Ralph!
Is this heaven?
This is a hospital room.
Ralph, I'm Nora...
I rembered everything.

멍—
I remem-
bered.
멍

Were you beaten so badly that you lost your mind?
RALPH?!
No...
Ra...
I'm so glad that I was a little speechless.

I received Dr. William's message.
You've broken a rib...
and the right arm, 2 toes, 3 fingers.
I gave you that rib.

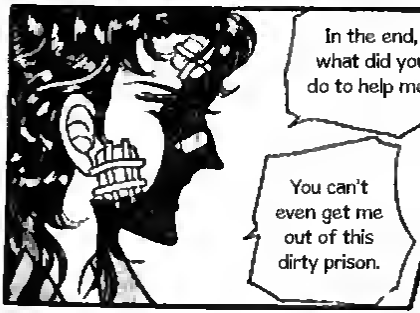
How did you remember?
Was it when you slapped me?
Suddenly the image of the plane crash appeared in my head
Like being hit by a thunder.
Hum... It truly is shocking...
How could you sneak out?

Like that time when I came to your house.
Of course.
Nora do you remember saying you love me?
Come here, Nora...
I'm a patient here. Shouldn't you nurse me?
No!
You intend to take advantage of the situation, right?

S.McSean
EH
YOU ARE UNDER ARREST FOR KIDNAPPING PETER GARIEN'S WIFE.
HERE IS THE ORDER!

S.McSears

The mistress called the police.
The Gariens are taking measures to expel you



In the end, what did you do to help me?
You can't even get me out of this dirty prison.

This is because of the Gariens...

THAT OLD HAG IS CRAZY!
Ouch... My rib...

YOU CAN'T DO THIS! LET ME GO! I'M NORA OTONEL.
The mistress!
You're...
Nora Garien!
I can't lose the one Peter loved twice... It's sad...

MADAME! LISTEN TO ME...
You look a little like his first love. No, so much alike.
PETER DIDN'T LOVE ME. WE WERE ONLY FRIENDS...
Did he not always keep your letter even when he died?

Dying with out a word to his family and..
parents
But inform another girl...
Do you think it's right?
I DON'T KNOW!
Don't reply, Nora
Don't reply
I didn't understand that phrase
PLEASE LET ME GO!
I DON'T WANT TO LISTEN TO THOSE SELFISH THINKING.

IF HE LOVES YOU MORE THAN US, I...
WILL IMPRISON YOU IN THIS HOUSE FOREVER! FOREVER IN THE DARKNESS.
He'll come to us to see you

She looks weird...
He's dead, Madame...
Oh, there's a problem with her mind
IT'S NOT RIGHT! HE'S NOT DEAD!!!
HE WAS ON HIS WAY HOME IN A PLANE...
When the accident happened because of the storm.
He's gone with the angels...
He's an angel.

Peter!
Where are you...
If you've returned, please come here!
What's
the name of the woman you love again?

S. McSorley

I'll let you marry her

Mr. Garien.
I had it all investigated.
That American's enthusiasm shows that that lady is surely his wife.
Let them return to USA!
As you wish, Your Majesty.

I hear that your wife is hospitalized. Shouldn't you go home to her?
She's sent to the best nursing house in UK.
Only the thought of it is terrible.
Though it's not unfortunate
According to the psychologist, after Peter's suicide, she had a shock.
Perhaps she's gone off the rail since then.

Every single newspaper wants to know the identity of the disappeared daughter-in-law and,
the Garlen mistress...
If you two don't wear sunglasses, you won't be able to leave.
Ha ha...
But thanks to her carefulness, the published photo was only taken from afar.
If they didn't come to UK, no one would think of you as Mrs.

YOUNG MISTRESS!!!
YOUNG MASTER!!!
Long time no see. How are you?
How are you?
You don't ask how my mama is?
You remember me? Young master said that you've lost your memory...

헤엥?
Tell her don't be jealous of Ralph too!
You should say dad.
Else she'll call you Ralph.
If we hug like this, she won't cry, right?
Understand that, my daughter
Hey, there're many people here.

What do you think about going to the island?
Island?
It's the most beautiful island in the world.
All the publicities are shot there.
It's good.

Oi,
Hello !
ASTO- ?!

You're still watching?
That's enough, Ralph.
I'll kill him!

The O'Donnells 6-years-old daughter
RALPH !
Do you know who came to the church?
I met a beautiful boy. Like a doll!
She calls her dad by name again.
Who is it?
He's from UK.
Maybe a noble who come here on vacation.

Named Peter Junio Garien, 2 years older than me.
phut
푸앗
I'll marry him when I grow up, mom, Ralph!!!
He lives in the house with the yellow gate in front of the church.
Hoh... he...
.....
Why is she so like me?
Hoh...
?
END ^^
